

# Lunch & Learn:

## Rethinking Modular Construction

To arrange for a Lunch and Learn presentation please fill in the following:

Name: \_\_\_\_\_

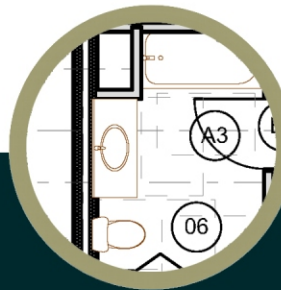

Company: \_\_\_\_\_

Email Address: \_\_\_\_\_

Phone Number: \_\_\_\_\_

Address: \_\_\_\_\_

\_\_\_\_\_  
\_\_\_\_\_

### What you will learn:

How modular can benefit your project in costs and time.

Design considerations with modular components.

Additional sustainability aspects to modular construction

How Arcon Group, Inc. is different than the typical modular manufacturer.

Simplify your building process, minimize on site disruption and appreciate the smartest, most efficient way to build your next project.

Come enjoy Lunch and Learn how modular construction can benefit your next project!
